

hello.

Welcome to noky, your friendly and local neighbourhood watering hole. We've been inspired to create a place for anyone and everyone to relax and unwind, and one that's fit to celebrate all occasions.

We're here for date nights, after work drinks, girls' nights, special family dinners and any occasion that is best enjoyed with great food and delicious drinks. We're also here for the experience, and we hope you are too.

We want you to know that our passion is food and a brilliantly stocked bar, and we treasure locally sourced produce.

The noky menu is an inspired blend of simple Mediterranean classics with a splash of Aussie fun, and it's created using all the local produce we could get our hands on. Simply, it's food that brings people together. The bar, oh the bar, it's the height of design, yet comfortable, inviting, and informal. Plus, it showcases the very best South Australian wine and spirits. That being said, we couldn't go past some of our favourite international spirits, wine, and produce, could you?

We place high standards on ourselves to offer something different backed by quality ingredients. And our team, well, you'll receive sincere, knowledgeable, caring, unobtrusive and absolutely unpretentious service.

So, if you're ready for a beverage list that offers the very best of the classics, plus fresh house cocktails that don't take themselves too seriously [but do make using seasonal ingredients a priority]; Plus, the other consciously curated selections of wines and spirits we invite you to turn the page and get ready to experience **noky**.

vermouth.

An aromatised fortified wine using a white or red wine base. Each Vermouth is given its distinctive aromas and flavour by incorporating botanicals, herbs and barks.
